S-pushTAN procedure using Android

Quick reference for the initial setup of S-pushTAN App and Sparkasse App

Note: First install the S-pushTAN App as well as the Sparkasse App on your smartphone/tablet. Moreover, you need the access data as well as the data for activating the S-pushTAN connection from LzO. The figures may slightly differ.

7 9 4 3 5 6

Setup of the S-pushTAN App

1

2

- → Start the S-pushTAN-App on your smartphone/tablet.
- → You are requested to file a password for the access.
- → The password must comprise at least 8 characters (composed of numbers, letters and one special character).

Example: werder+1

→ Enter the activation code transmitted via the S-pushTAN App and operate the "Weiter" (continue) button in order to complete the activation.

Quick reference for the initial setup of S-pushTAN App and Sparkasse App

Setup of the S-pushTAN App

- \rightarrow You are requested to change the Start PIN.
- → The PIN is composed of five numbers and/or letters.
- → Confirm the entry with the "Weiter" (continue) button.

Setup of the Sparkasse App

9

10

→ Just like for the S-pushTAN App, there must be filed a password in the initial registration.

We recommend to activate the request regarding individual offers that follows.

 Enter the BLZ (bank code) 28050100 of LzO.

Then tap on the "+" add account — and then on bank account.

Quick reference for the initial setup of S-pushTAN App and Sparkasse App

Setup of the Sparkasse App

- → There is built-up a connection to the server of Sparkasse and your accounts are retrieved.
- → There is built-up a connection to the server of Sparkasse and your accounts are retrieved.
- → After completing the account setup, tap on "Fertig" (complete).

Prämiensp

Note

For a direct transmission of the TAN from the S-pushTAN App, you can set the "Automatische Sperrzeit" (automatic blocking time) under "Einstellungen" (Settings) so that the password does not need to be entered again during this period.

13

- \rightarrow In the last step, enter your PIN.
- → After the refresh has been completed, you can inspect all transactions (postings).
- \rightarrow To do it, tap on the respective account.
